

SASKATCHEWAN SPECIES AT RISK FARM PROGRAM

Join us for a workshop to learn about species at risk on your land. The workshop provides a workbook and guidance to develop a personalized Species at Risk Action Plan.

The program is voluntary, free, and the information in your plan is 100% confidential.

Producers with completed Species at Risk Action Plans are eligible to apply for Species at Risk Stewardship Program Funding that covers 100% of project costs!

**For more details, visit:
www.simplyag.ca or call
1-866-298-7222**
